

655109 ProClip

Center mount

The ProClip is a mounting bracket that you attach onto the vehicle's dashboard. It provides a mounting platform for mobile phones and other devices that you want to have within easy sight and reach in the car. Safe, neat and convenient! The ProClip has a perfect fit, it is custom made for each vehicle to ensure a secure base for installations.

The ProClip is easy to install. The bracket simply snaps into place in gaps in the dashboard, you do not need to drill holes, not use special tools or not dismantle the dashboard. Made in black ABS plastic. Comes with detailed installation instructions. The mounting plate is equipped with predrilled holes which make the installation of equipment on the ProClip easier. The holes suit all Brodit holders and other products with standard holes, the hole pattern consists of one set of AMPS-holes as well as two sets of double-holes placed in different height.
