

605090 ProClip

Right mount

The ProClip is a mounting bracket that you attach onto the vehicle's dashboard. It provides a mounting platform for mobile phones and other devices that you want to have within easy sight and reach in the car. Safe, neat and convenient! The ProClip has a perfect fit, it is custom made for each vehicle to ensure a secure base for installations.

The ProClip is easy to install. The bracket simply snaps into place in gaps in the dashboard, you do not need to drill holes, not use special tools or not dismantle the dashboard. Made in black ABS plastic. Comes with detailed installation instructions. The mounting plate is equipped with predrilled holes which make the installation of equipment on the ProClip easier. The holes suit all Brodit holders and other products with standard holes, the hole pattern consists of one set of AMPS-holes as well as two sets of double-holes placed in different height.

EAN: 7320286050906

Item no 605090 fits:

Iveco Daily 15-22 (For all countries)

INSTALLATION INSTRUCTIONS

1.

2.

3.

4.

Please read all of the instructions and look at the pictures before installing the ProClip.

1. Press the thin end of the enclosed gap opener into the gap between the cup holder and dashboard, to widen the gap.
 2. Insert the lower s-shaped edge of the ProClip into the gap next to the gap opener.
 3. Press the ProClip upward/forward so the lower edge goes all the way into the gap. Hook the angled upper edge of the ProClip around the edge on top of the dashboard. Remove the gap opener.
 4. The ProClip is in place.
